ABOUT US

- YEW group is a pioneer in manufacturing Machining components, welded assemblies & sub-assemblies, tractor components, earth moving equipment, fabricated parts etc. for the past decades.
- The group has also diversified into Stainless steel, tubular products, & Forged Parts.
- The group has set up a state-of-the-art plant in 6000 Sq. Yd. near New Delhi (National Capital Region) with the best manufacturing facilities to manufacture heavy fabrication welded and sheet metal pressed parts.

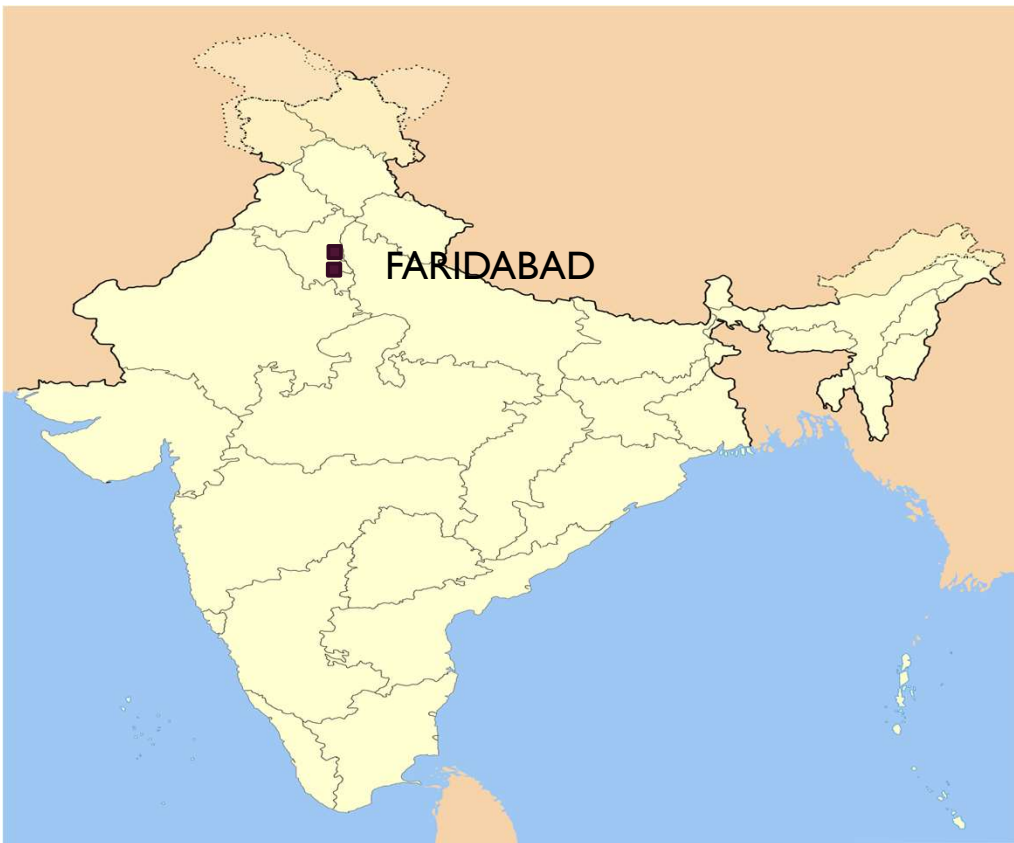

ABOUT US

- **FAMILY BUSINESS HISTORY**

- **Mr. G. S Dahiya** had started the YEW Group business as a Director in 1975, since then we have seen splendid growth in this domain. He has assisted us in manufacturing reliable Tractor Accessories & other Spare Parts with profound knowledge about tractor parts & vast experience.
- **Mr. Yogesh Dahiya** had joined the family business as in 2000 after completing his graduation as a mechanical engineer.
- **Mr. Pardeep Dahiya** had joined the family business as in 2004 after completing his graduation as a mechanical engineer.

YEW- NEWLY ADDED FACILITY

High Productivity Horizontal Machining Center

Specification	Unit	PRIMA 55PRO
Pallet Size	mm	630 X 500
Spindle Taper	type	BT 50 (HSK A 100)
Axis Traverse	mm	800,700,800
Job swing Dia x Ht. (mm) (weight)	mm	

YEW- NEW ADDED FACILITY

CNC Bending machine for Pipe & Rod bending parts.

Capacity: 6 mm to 25mm diameter Rod 50 mm Diameter Pipe

Newly added Induction Hardening Machine with Tempering Furnace.

Spec- 50 KW Medium Frequency

YEW- NEW ADDED FACILITY

New CNC Grinding Machine added & Capacity is Spare.

**Newly added VMC Machine with Rotary Table which enhance quality & accuracy of component in minimum cycle time.
Pallet Changer VMC added.**

YEW- GROUP FACILITY

Shot Blasting Machine

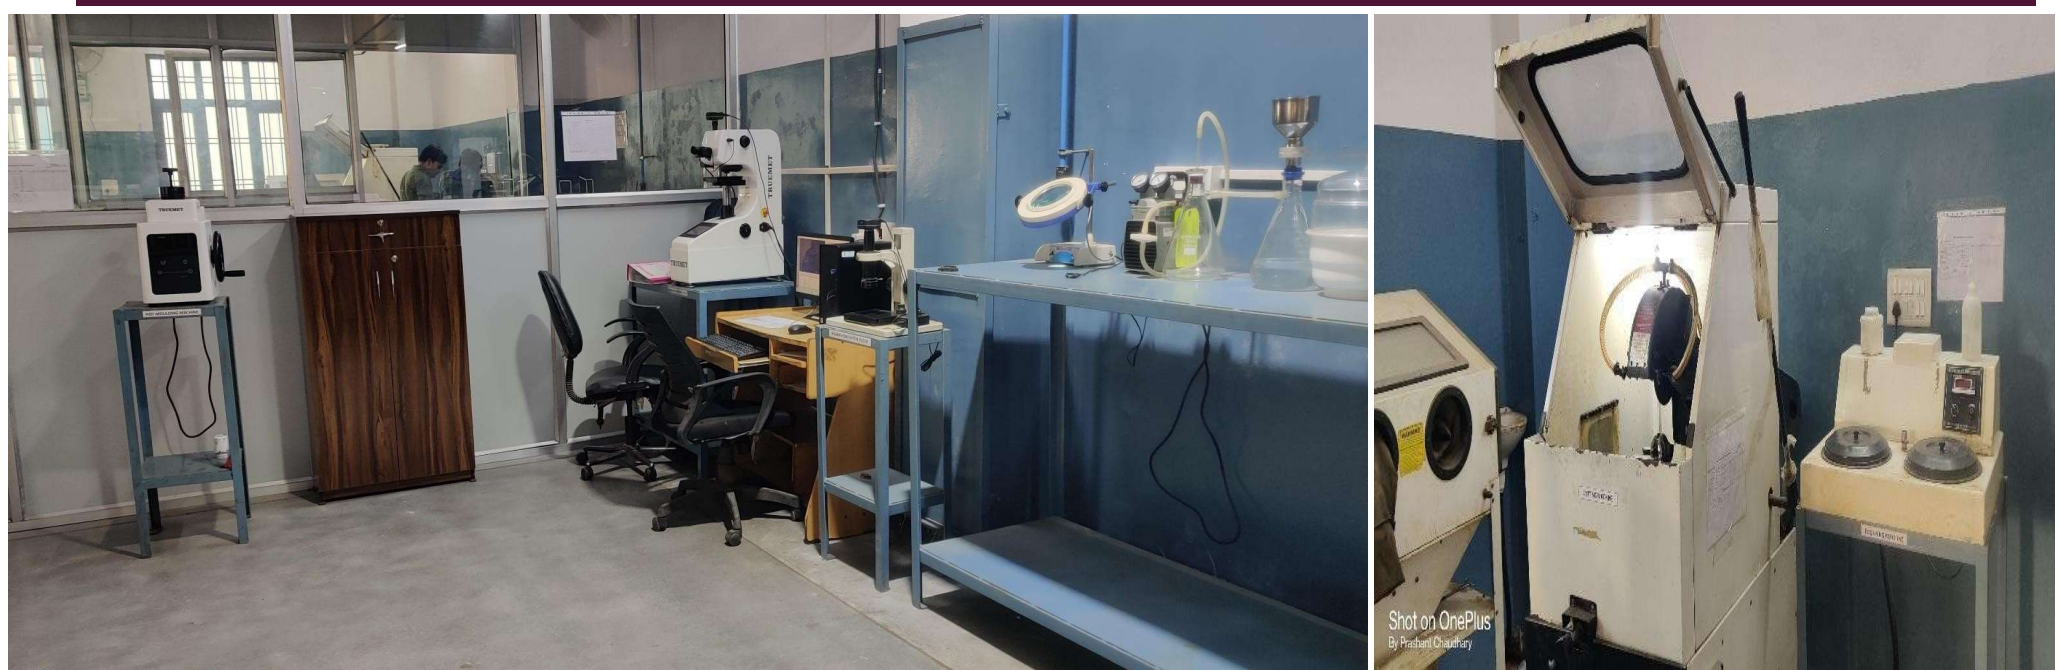

Conveyorized Manganese phosphating plant

YEW-LAB TESTING FACILITIES

Advance Testing Technologies available for Part Testing.

YEW- TESTING FACILITIES

Hot Molding Machine

Automatic Micro Vickers Hardness Tester

YEW- FUTURE EXPANSION

FUTURE EXPANSION OF CMM & CONTOUR

YEW- FUTURE EXPANSION

FUTURE EXPANSION :

- 2.5 ACRE LAND PURCHASED IN PRITHLA FOR FORGING UNIT.
- INAUGURATION WILL BE DONE WITH IN 1.5 YEARS.
- HAMMER IS PLANNED UP TO CAPACITY OF 1.5 TON,2 TON,3 TON.
- FRICTION PRESS IS PLANNED UP TO CAPACITY OF 200 & 300 TON.
